A multitalented crew led a happy singalong early Sunday morning at West Village piano bar Marie's Crisis.

Spies said "Glee" star Darren Criss, "Desperate Housewives" creator Marc Cherry, cabaret singer Michael Feinstein, Broadway songbird Laura Osnes and top real estate brokers Tom Postilio and Mickey Conlon belted out "One Day More" from "Les Misérables."

Later, Osnes led the crowd in "Ten Minutes Ago" from "Cinderella."

The group had just wrapped shooting a TV special at the new Rainbow Room.
